Please note the following important items:

You are able to start your application, save it, and return later by logging back into the application system using your **email address and password**. Your application will save each time you click Continue.

You do not need to submit official transcripts or test scores during the application process. Please avoid mailing official transcripts or documents unless you have been formally admitted to CWRU.

Questions marked with an asterisk (*) are required.

Your application is not complete until you have **digitally signed, finalized your application, paid the application fee if required, and hit Submit**. Once you submit your application, you will no longer be able to make changes except to upload documents or update your Recommenders. In the portal you will be able to track the status of your application and whether your Recommendations have been received.

If you are applying to multiple programs or reapplying, click Create Application in the portal to begin a new application. If required, you will need to pay a \$50 fee per application submitted.

If you need assistance or have questions regarding the application process, email Graduate Studies at gradadmit@case.edu or call 216.368.4390.
